I am against SB 16 and HB 5416. I'm am against SB 16.If you really cared about reducing crime, you would enforce the laws on the books already, not make new ones that violate my rights. Making lawful gun owners like me target of your laws that accomplish nothing but violate my second amendment rights, and liberty. What makes you think that limiting how many guns I purchase will have any effect on the guns sold on the Black Market" you Know! The ones used by criminals who commit those crime's. Make laws That punish the criminals not The GOOD GUYS. HB5414, and HB5412. I should be allowed to transfer these guns lawfully to another person who has a valid permit. I have the RIGHT to self defense, thats a part Of OUR DEMOCRACY . I also support SB388 for the same reason. I am a responsible gun owner and always be. MY name is GARY L NEWLOVE I live at 80 ward street Naugatuck CONNECTICUT. MY phone number is 203-729-6651 Thank you!
